

Outside Reading Consent Form

Agoura High School

Las Virgenes Unified School District encourages diverse outside reading as a desirable student goal. In order to encourage such reading, and still have some degree of control over reading material choices, we AHS teachers are offering you, the parent/guardian, the opportunity to participate in the outside reading program.

Please note the choices below and sign either "A" or "B." Should you sign "B," the student will be responsible for obtaining your signed approval on this sheet for each novel chosen. No student will need permission to read district-approved novels from the curriculum (i.e. *Lord of the Flies*, *To Kill a Mockingbird*, *The Adventures of Huckleberry Finn*, etc.), only works selected for the outside reading program. The student will be required to return this signed form during the first weeks of school.

Student: _____

Teacher: _____ Period: _____
