

## **WHAT IS GRAD NITE?**

A Safe and Sober event immediately following graduation  
**(NOT DISNEYLAND OR MAGIC MOUNTAIN)**

Grad Nite is a parent sponsored, nonprofit event that offers the graduates an opportunity to celebrate without the use of any illegal substances. This event was started in 1991 to provide a safe & sober party on what is statistically a “HIGH RISK” night for our graduates!

It is an ALL NIGHT lock down party! They do not know where the event is held or what the theme is...

The graduates are transported by buses to and from the secret and secure location. When they arrive at the much-anticipated event, they will discover a party packed with things like large inflatable games, video arcade games, a pool & ping-pong tables, live DJ & dancing, food & MANY other fun activities. They win tickets to enter drawings for great prizes throughout the night. A theme with theme related props create an atmosphere that is unique to this particular class and gives the event more impact. They spend what we know will be a fun-filled and unforgettable night with their fellow graduates. They return to Agoura High School the next morning.

**GRAD-NITE 2013 will only be a success with your help!**

**There are many opportunities both large & small.**

**We need your donations and time!**

***We can't do it without you!***
