

Outside Reading Policy

[Outside Reading Consent Form](#) (in Adobe Acrobat .pdf format for printing)

The Las Virgenes Unified School District encourages diverse outside reading as a desirable student goal. In order to encourage such reading, and still have some degree of control over reading material choices, AHS teachers offer the parent/guardian the opportunity to participate in selecting books that are part of the outside reading program.

Please note the choices on the Outside Reading Consent Form and sign either "A" or "B." Should you sign "B," the student will be responsible for obtaining your signed approval for each novel chosen. No student will need permission to read district-approved novels from the curriculum (i.e. Lord of the Flies, To Kill a Mockingbird, The Adventures of Huckleberry Finn, etc.), only works selected for the outside reading program. The student will be required to return the signed form during the first weeks of school.
