

Each school year, students ask the policy regarding cell phones and pagers. It is important that yo

Electronic Signaling Devices (Cell Phones/Pagers)

In accordance with the Education Code 48901.5, the Board recognizes that parents/guardians may

Thus, the following procedures were implemented for students and staff at all schools sites beginn

1. Students shall be permitted to be in possession of electronic signaling devices while attend
2. Students shall have electronic signaling devices (cell phones, pagers) turned off at all times
3. Should a student receive a phone call during school that disrupts the classroom instruction

If a student needs to use a telephone, he/she is advised to come to the Attendance Office and ask
