

All scholarship information is available through Naviance and/or the College and Career Center. In Naviance you will find the Scholarship List under the "Colleges" section. Agoura High School receives information on many local and national scholarships. **DEADLINES MUST BE ADHERED TO FOR ALL SCHOLARSHIPS.** Updates are made regularly, so keep checking in Naviance for new listings. Most of the scholarships require some kind of essay and some require recommendations. Please allow sufficient time before the deadline to obtain the necessary items.

Some national websites to look at for both scholarships and to help determine how you might qualify for different forms of financial aid. These are all FREE sites:
